## Eagle Elementary School of the Arts School Report Card 2009-2010

### Mission Statement

All Students Can Learn

### Keeping You Informed

This is a summary of some of the programs and performance levels of Eagle Elementary School of the Arts. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning. Studies show that when parents are involved, students do better in school.

### How We Are Improving

Eagle Elementary School of the Arts maintains good academic growth in all areas. Our staff is committed to excellence and continues to set high goals in reading, language and mathematics, as indicated by ISAT and IRI scores.

### What We Celebrate

We are a school with strong parental support and involvement. Our students, staff and parents focus on academic achievement and positive character traits as we infuse the curriculum with the arts.
