Welcome to Galileo Math and Science Magnet School!

The Galileo team has been working hard to develop a wonderful school year plan for our Galileo Students. A majority of the Galileo team is returning along with seven new additions to our team.

- Katie Zammiello is teaching 1st grade this year. Katie moved to Idaho from Florida.
- Beverly Derow is teaching 5th grade this year. Beverly is coming to us from Pioneer School of the Arts.
- Charlene Haggard is teaching 6 and 8 science and Algebra. She comes to us from Meridian Middle School.
- Tim Fulwood is teaching K-4 PE and grade 6 Social Studies. Tim comes to us from Meridian Middle School.
- Patty Katucki is teaching 3-6 General Music, 7-8 Choir and 6 Orchestra. Patty comes to us from Peregrine Elementary.
- Dan Howard is teaching K general music and 6-8 band. He comes to us from the Boise Philharmonic and is very excited to be teaching for the first time.
- Trudi Clark-Cochrane is teaching 1-2 general music. We share her with Joplin Elementary.

All seven will be great additions to our Galileo Team.

As professional educators we are continually learning and researching methods to best serve our students. We have made a few curriculum adjustments. I encourage you to attend our Parent Orientation night on September 18th. This evening is designed for parents to learn the academic expectations that will be set for their child. It also provides a preview of classroom procedures and classroom expectations. We look forward to providing your child and you with an exceptional school experience!

Open House

September 18, 2008, 6:00 p.m. to 8:00 p.m. open house for all parents of Galileo students. Please come hear the teachers talk about what will be happening for the 2008-2009 school year in your child's classroom(s) and at Galileo. Please see the table below. All three K-5 classroom presentations will be the same so you may attend more than one if you have more than one student at Galileo. The general sessions in the gym are similar with some specific items to the grades represented.

Time	Gym	k-2 classrooms	3-5 classrooms	6-8 classrooms
6:00-6:25	k-2	Gym General Session	Classroom Presentation	Follow your student's schedule in the Cafeteria and hear about all of their classes
6:30-6:55	3-5	Classroom Presentation	Gym General Session	Continued from above
7:00-7:25	6-8	Classroom Presentation	Classroom Presentation	Gym General Session
7:30-7:55		Classroom Presentation	Classroom Presentation	Teachers available for questions
