Wacky Wednesday's

To increase social awareness, compassion and seeing the world as their neighbor, Ms. Fuhriman's 5th grade class will be partnering with the Southern Cross Humanitarian organization to sponsor an orphan girl from Peru.

This organization builds and runs orphanages in several countries in South America. The homeless children coming to these shelters face a life of starvation, filth and usually an early death. At the shelters, they receive homes, food, medical and psychological care, an education and an opportunity to have a positive future.

Paramount will be sponsoring a 5 year old girl named Blanca. Blanca loves to learn. She has a slight speech impediment, but her smile translates into any language. To make this sponsorship possible, once a month we will have WACKY WEDNESDAY!!!

On these days we will be asking the students to bring in **ONE DIME** to enable them to wear a variety of specified goofy clothing. It begins this **Wednesday, October 14th with CRAZY SOCK DAY!**

If everyone attending or working at the school contributes ONE DIME a month, we can give Blanca a chance at life. For more info go to www.sxhu.org

H1N1 Vaccination Clinic

Central District Health Department (CDHD) will be partnering with Meridian Joint School District to provide H1N1 flu vaccine to students in the district.

CDHD will be coming to our school this fall for a one time vaccination clinic. The date and time has not yet been determined but informational packets with consent forms will be made available closer to the date of the clinic for your child's school.

This vaccine is not mandatory for your child, but having your child vaccinated will help to prevent the spread of flu in the school setting. If you would like to have your child vaccinated against H1N1 flu but do not want the vaccination done in the school setting, other options will be available.

If you have questions about H1N1 flu or school-based vaccination, please visit the CDHD website at www.cdhd.idaho.gov or call their H1N1 flu hotline at 321-2222.
