

Pepper Ridge Elementary Parent Input for Student Placement Form

This is an **optional** form for parents to fill out. We have a very purposeful and carefully thought out process for student placement involving a team approach, including the current classroom teacher. If you choose to, fill out this form and turn it in to the Pepper Ridge office by April 11, 2008.

Special interests: _____

Areas of most success at school: _____

Areas of greatest concern at school: _____

Anything else we should be aware of in creating her/his learning environment: _____

Parent signature _____ Date _____

Placing students in classrooms is a team effort involving classroom teachers, parents, specialists, and the school principal. To provide the best placement possible for Pepper Ridge Elementary students, the factors we consider include class size, boy/girl ratio, student abilities and special needs, personalities of students and teachers, and students who need to be separated. After all input is considered, the principal will be responsible for making the final class assignment. Class lists for the 2008-2009 school year will be posted in August.
