**For Your CHILD's  
SAFETY:**

When you PICK UP your child from school,  
PLEASE WALK UP to your child and  
walk them to your car! Waving your  
child to your car is very dangerous, in  
case of on coming cars or buses!

Thank you for your help in this matter!

**Plan ahead for student  
pick-up**

Please make arrangements for after  
school transportation with your child  
BEFORE they leave for school in the  
morning.

Relaying these messages during the  
day interferes with classroom in-  
struction time. IF messages come in  
after 3:00 PM, we CANNOT guarantee  
the child receiving the message. :)

**Did you know?**

The IDT recommends hanging  
up cell phones in school zones.  
A new report by Safe Kids USA  
says one of six people driving  
through a school zone behaves like a drunken  
driver. The report says the leading cause of dis-  
traction in school zones is talking, dialing or tex-  
ting on a cell phone, according to the Idaho  
Transportation Department. Distracted drivers  
put children at risk when kids are being picked up  
or dropped off at school.
